

## Louisiana's Key Academic Research Centers for Advanced Materials

### **Louisiana State University**

[Basin Research Energy Section](#)  
[Center for Advanced Microstructures and Devices](#)  
[Center for Energy Studies](#)  
[Center for Rotating Machinery](#)  
[Center for Turbine Innovation and Research](#)  
[Correlated Materials Research Group](#)  
[Hazardous Waste Research Center](#)  
[Louisiana Composites Lab](#)  
[Louisiana Transportation Research Center](#)

### **Louisiana Tech University**

[Center for Applied Physics Studies](#)  
[Institute for Micromanufacturing](#)

### **University of New Orleans**

[Advanced Materials Research Institute](#)  
[Northrop Grumman - UNO Maritime Technology Center of Excellence](#)

### **University of Louisiana at Lafayette**

[Center for Plastics, Composites & Polymers](#)  
[Corrosion Research Center](#)  
[Enterprise Center of Louisiana](#)  
[Louisiana Accelerator Center](#)  
[Microscopy Center](#)

### **Other Centers**

[Louisiana Center for Manufacturing Sciences](#)  
[National Center for Advanced Manufacturing](#)
