[Introduction](#)

[Economic Development Contacts](#)

[Local Government Offices](#)

[Regional Government Offices](#)

[Business and Technical Assistance](#)

[Education](#)

[Industrial Parks](#)

Introduction

This guide has been developed to provide guidance on how to start a business in Louisiana, and, more specifically, in the Northeast Region including the parishes of Caldwell, East Carroll, Franklin, Jackson, Madison, Morehouse, Ouachita, Richland, Tensas, Union and West Carroll. The guide provides numerous business, government and technical resources that you should assist you when going through the process involved in getting started. It includes such resources such as zoning, permitting, financing, taxation and many others that will be at your fingertips.

Each section contains the resources needed in the Northeast region of Louisiana, as well as state and federal sources. We've also included a little bit of 'lagniappe' (in Louisiana this means a bit extra) such as links to web sites that can provide additional information.

Please use the Table of Contents to lead you in the direction you need to go. If you should have any questions, please don't hesitate to contact the LED Regional Representative in your area.

We look forward to doing business with you.
